

Electric-Assisted Bicycles (E-BIKE) Information Sheet

E-bike Use is Allowed on State Park Long-Distance Trails

Class 1 and Class 3 pedal-assist e-bikes are allowed on State Park non-motorized long-distance trails. Most are converted rail trails and these include:

- Columbia Plateau State Park Trail (130 mile trail from Cheney to Pasco)
- Klickitat State Park Trail (31 mile trail along the Klickitat River)
- Palouse to Cascades State Park Trail (255 miles from North Bend to the Idaho border)
- Spokane River Centennial State Park Trail (37 mile trail in Spokane)
- Willapa Hills State Park Trail (53 mile trail from Chehalis to South Bend)

E-bike Use is Allowed on Park Roads

All classes of e-bikes are allowed on roads within State Parks. E-bikes are required to follow all park rules related to bicycles including any posted speed limits or other restrictions on bicycle use.

Pedal-Assist E-bike Use is Allowed on In-Park Trail Systems that Allow Bicycle Use

Class 1 and Class 3 pedal-assist e-bikes are allowed on single-track non-motorized natural surface trails that allow conventional bicycles. E-bikes are required to follow all park rules related to bicycles including any posted speed limits or other restrictions on bicycle use.

E-bike Use is Not Allowed on Hiking Specific Trails

E-bikes are not allowed on single-track non-motorized natural surface hiking-only trails or any other trails that do not permit bicycles.
